FOREWORD

This is the tenth edition of the Montage — old number 10. Now that's not exactly earthshaking; but if you consider that this book is a link in WACC's history, it makes you think a little. Montage '77 is the record of the year, from now until forever.

This edition tells why the academic year 1976-77 was different from other years. It may have been because Carter beat Ford, or Williamsport put in a downtown mall, or maybe because you were here at WACC — well, we were here too, and this book is how we saw the year.

YEAR'S EVENTS

FREEDOM TREE PLANTED • LINDENS PLANTED • BICENTENNIAL WAGONTRAIN

Top Right and Middle Right; WACC plants a freedom tree. The seedling called a California Liberty Tree is actually a coast redwood. Dick Weilminster trained Tom Menzel (stripes) on tree planting techniques. If you are reading this in 1988, go down to the Earth Science Building and see if the tree is still growing **Left;** A summer crew planted some Lindens and Flowering Crabs by Klump on the same day that the Freedom Train came to town. If they grow into something, they'll be bicentennial trees; if not, they'll be firewood. **Bottom;** The Bicentennial Wagon Train wound its way through the WACC campus after crossing the continent. **Bottom Right;** WACC Trustee Bill Schrum was selected to head the United Way Drive.

FACULTY MEETS • FREEDOM TRAIN • RENOVATION

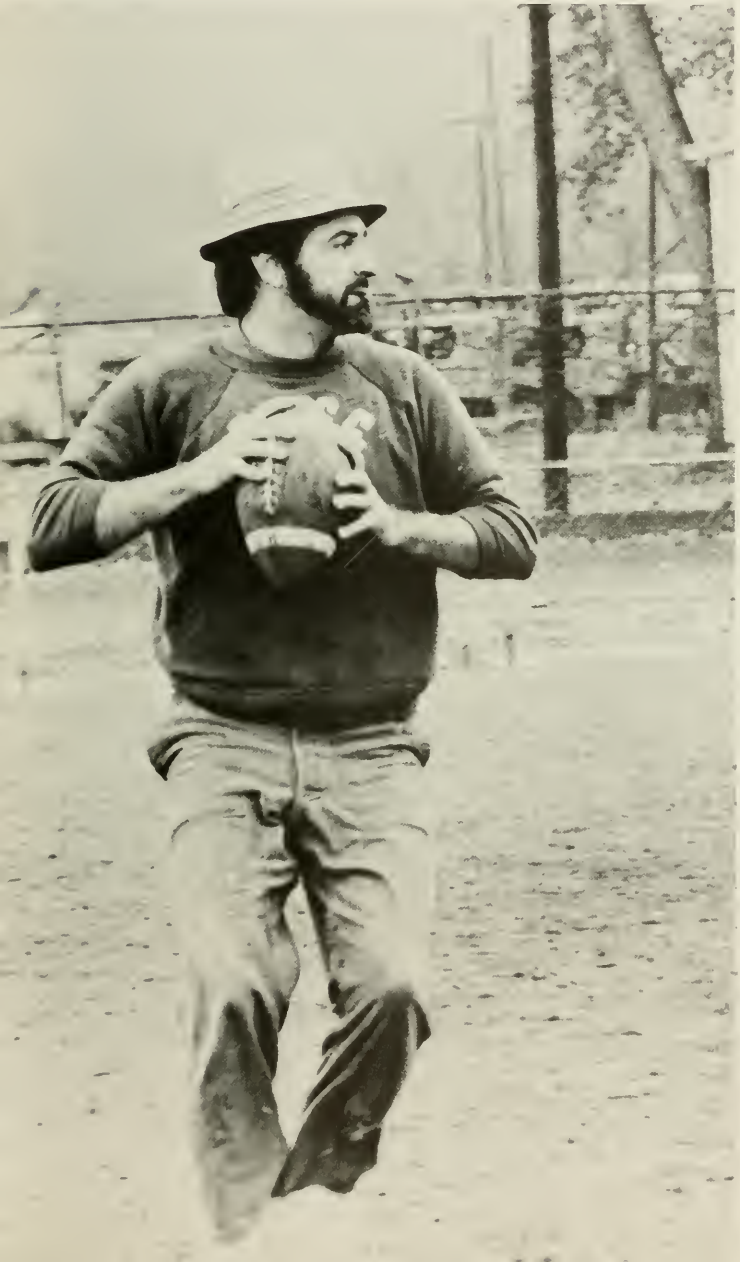
Top Right; WACC staffers meet to plan the challenging year. The staff met several times over the summer. **Top Left;** After sixty plus years of wear and tear, the Klump steps were replaced. Millions of feet had worn grooves in the marble steps. The history of Williamsport is probably worn into those blocks. **Bottom left;** The much heralded Freedom Train backed into Williamsport, within sight and hearing of WACC. **Middle Left;** The bathroom on the second floor was renovated – a beautiful sight after years of dilapidation.

KRESKIN CAPTURES WACC AUDIENCE

The Amazing Kreskin filled Bardo Gym in an event that proved to be the highlight of WACC's Fall Weekend. Kreskin provided laughs, entertainment and a dazzling, mind-boggling, eye-numbing display of mental virtuosity. The WACC crowd was slow to warm to the mentalist, but by evening's end, when a faulty microphone terminated things, Kreskin had everyone nibbling from his long fingers. SHAZAM – POOF and EUREEKA!

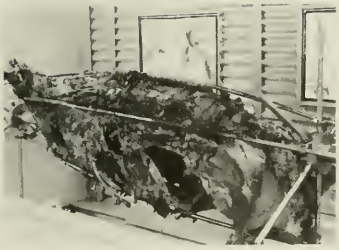
FACULTY DEFEATS SGA IN TOUCH FOOTBALL

The scene: a cold, autumn afternoon on Bardo field. The players: a well-conditioned, poised SGA football squad versus a pick-up faculty team in assorted garb. The game was touch and go all afternoon before the ragged faculty pulled off an upset, 21 to 14. Now the names of Bellott, Fritz, Schuman, Apple, Waltz, Simcox, Watters, De Sanctis, and Praster are immortalized. Dean Watters quarter-backed; Director Schuman flankered.



ROAD RALLY PROVIDES EXCITEMENT

WACC had the biggest road rally in it's ten year history – 50 assorted vehicles. Vroom, roar, roar, roar, roar, roar, roar, squeal, peel, roar, roar, roar, roar, clash, oops, roar and vroom. A few dents, maybe, a few offended souls, but a heck of a lot of fun. Mr. Sam Osborne did a real job of organizing, timing, computing and policing.



OX ROAST FILLS WACC'S APPETITE

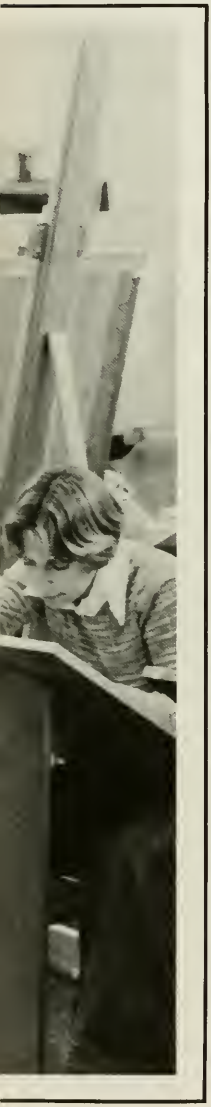
Assorted bands blasted away in the gym to semi-excited throngs. Of more interest to WACCers was a real live, mouth-watering, juicy Ox Roast (it may have been a steer) in the lair. Roast Ox on a bun – might fine chow, man. The gang from Mrs. Moon's Food Hospitality served and baked goodies. The reaction from WACC? Munch, munch, munch, munch, crunch, ahh! The Fall Weekend was acclaimed the best ever by experienced Fall Weekend devotees.

ADVERTISING ART PROGRAM INAUGURATED

After several years of planning, WACC offered a new program: Advertising Art. The basement of the Klump was remodeled to house the new program. A brand new class arrived, and a group of budding artists went to their drawing boards. The course of study leads to jobs in advertising and commercial art as well as the positions of art director and layout editor. Mr. Walt Hartman is the instructor. Below: Advertising Art students sketch a live model.

CAREER CENTER OPENED. TEACHER TAKES PRIZE.

Top: Former Dean, Grant Berry, Sr., returned to help WACC open its new Career Center. Joining Dean Berry are David Heiney, Assistant Dean of Student and Career Development (standing); left to right, counsellor Tom Shoff, Consultant Connie Sutton, and student Ann Poust. Since its opening, the center has been a bee hive of activity. **Bottom:** Doris Heller, representing the Williamsport Recreational League, presents award to Walt Hartman, left, for first prize in the annual art contest. The picture, "Barn at Bodines", was presented to WACC to hang with its permanent collection. Dean Edmond A. Watters, III, joins Ms. Heller in congratulating Hartman and accepts the picture for the college.



Dr. George H. Parkes salutes Dr. Kenneth Carl, former president of WACC.
Opposite Page: Dr. Carl offers his thanks for the recognition.
Middle: Dave Heiney presents Veronica Muzic an award for her dedication to the developmental program at WACC.
Bottom: Paul Goldfeder receives an award for his work with the Phi Beta Lambda business club.

WACC RECOGNIZES ITS OWN

Dr. Feddersen reads a citation honoring Dr. Carl. Many community leaders turned out to pay tribute to the retired president.

FRIENDS WE REMEMBER

SPRING WEEK FIZZLES
BOOKSTORE ROOF COLLAPSES
SPECIAL EVENTS SUCCESSFUL

Spring Week had every intention of being a blazing success, but rain and student apathy put a damper on things. The Gong Show was cancelled, and the students never showed for the Faculty-student softball game. Meanwhile, things were happening over in the Cromar building – the roof fell in and the bookstore was flooded. A genuine mess! The Road Rally was rescheduled due to rain and only 11 hardy souls competed. Down at Earth Science work was getting underway for the new saw mill.

The Special Events Committee worked overtime to provide an exciting season of entertainment. **Top Left:** George Britton strummed and sang ballads; **Top Right:** Will Stutts did Mark Twain and Edgar Allen Poe justice; **Bottom Right:** Stanton Friedman lectured on things mysterious and UFO's – real spooky; **Middle:** Cinema buffs got to see BEN, a tale about a weird rat.

"FLYING SAUCERS ARE REAL!"

AN ILLUSTRATED LECTURE

BY

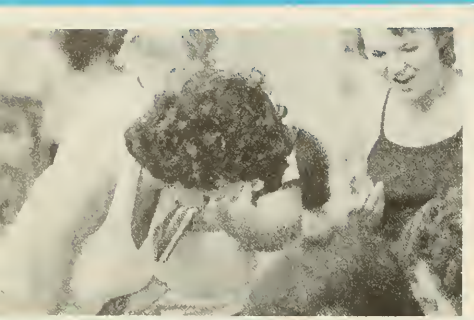
NUCLEAR PHYSICIST-LECTURER

STANTON T. FRIEDMAN

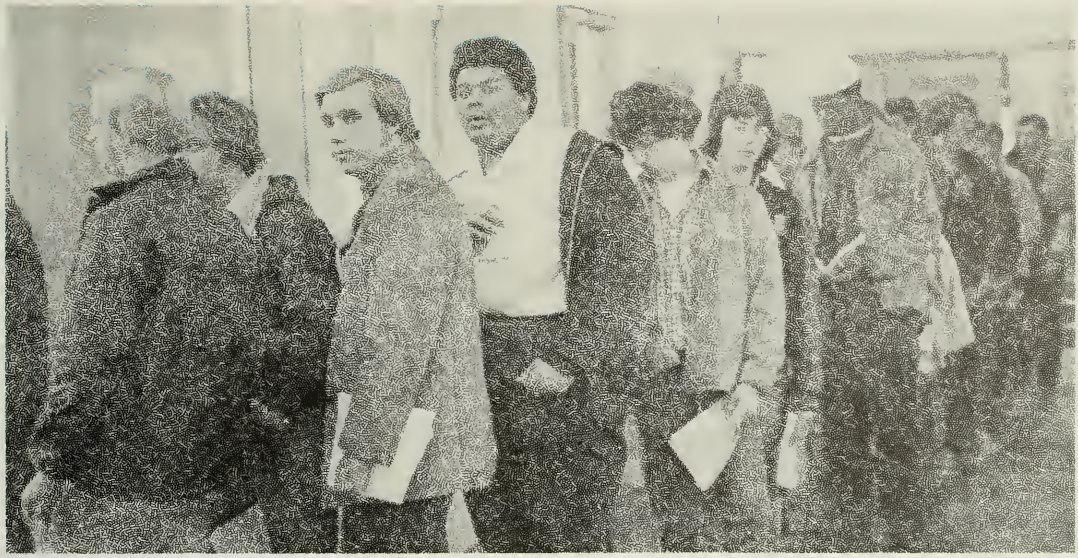
WACC CLOSES OUT THE BICENTENNIAL YEAR!

Mainly through the efforts of Mr. Lyle Keeler, WACC entered a float in Williamsport's Bicentennial Parade. But that wasn't all WACC did; there was a road rally and a lot of outdoor sports. And there was a brief golden autumn to enjoy before the wrath of a bone-chilling winter came whistling down from the North Pole.

There's an old legend that says if you stand in line at Registration long enough, all of your friends will pass by. Hello, friends. Really, registration is a place to renew old acquaintances and to acquaint old renews. What it means is that you're back at WACC and on the ATTACK.

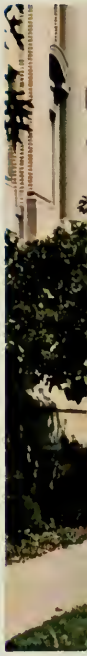


THE RUSH OF REGISTRATION



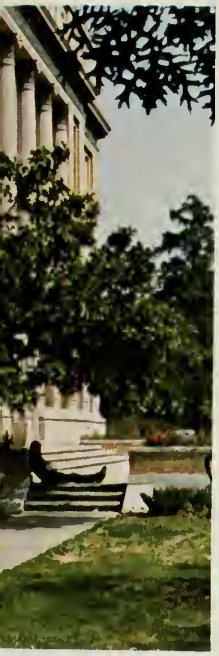
The minor inconveniences of selecting a perfect schedule are soon forgotten as friends meet and press the flesh.

IS THE PRELUDE FOR A BUSY YEAR OF ADVENTURES.



WACC's campus is a red, white and blue and green phantasmagoria of colour.

OUR CAMPUS? WE COVER A LOT OF LYCOMING COUNTY



The campus is really in three parts — the main campus in Williamsport, the aviation campus at the airport out in Montoursville, and the earth science campus over the mountain, near Allenwood. Each of the three campuses has some neat nooks and crannies.

THE WILLIAMSPORT CAMPUS –

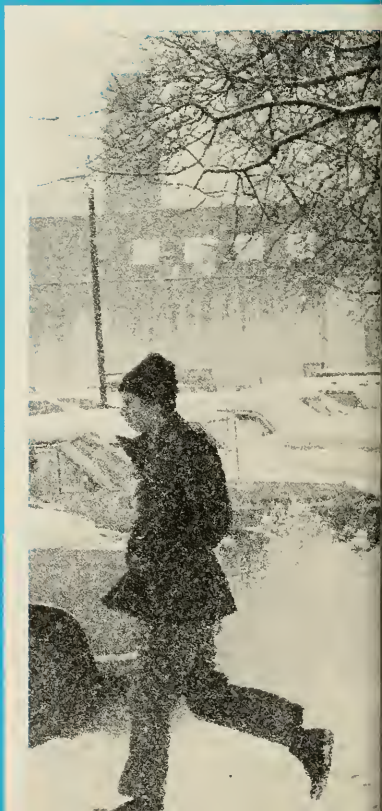
LOOKING NORTH EAST – A LYCOMING COUNTY LANDMARK.

WACC ACTIVITIES CONTINUE THRU SCHOOL YEAR.

The winter formal, fraternity banquets, club activities, parties in the cafeteria, concerts in the gym and the Klump auditorium, and dances in the Lair kept WACC a busy place in the evening.

This was the winter of winters with sub zero temperatures, long johns, cars that wouldn't start, and the fuel crisis.

JACK FROST CLOSES WACC FOR 2 DAYS



Except for two days when WACC closed, we endured the cold; we wore more clothes and burned more gas, but WACC kept going as usual and the world kept spinning.

COLDEST WINTER EVER

WACC STUDENTS

It's not what students learn at WACC that makes the place unique, it's what they bring – vitality, enthusiasm and freshness.

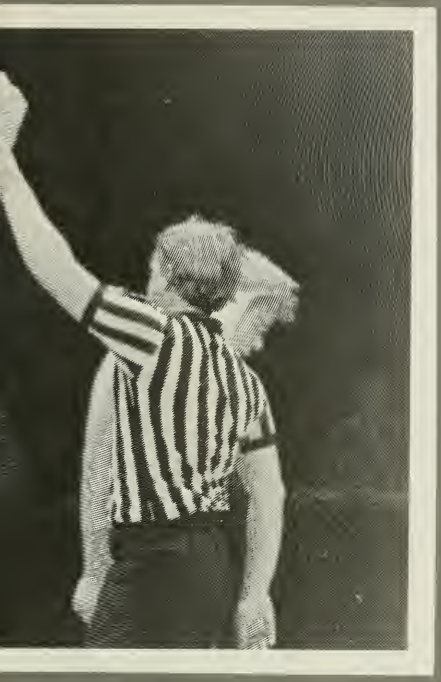
SPORTS SCENE



GIRL'S FIELD HOCKEY

While the World Series was clattering over the airways and footballs were filling the air, the WACC Field Hockey team was tearing up the turf behind Unit 6. The girls showed good conditioning and teamwork all season, but victories were hard to come by. A great season for the camaraderie of sport.

FRONT: Brandy Stuck, Carol Naffin, Pauline Steinbacher, Nova Reber, Kris Batdorf, Sherry Burgess. **BACK:** Marsha Beatty, Tina Weight, Kathy S. Goff, Marian Halabura, Roseann Labota, Debbie Clarke, Janet L. Robison.

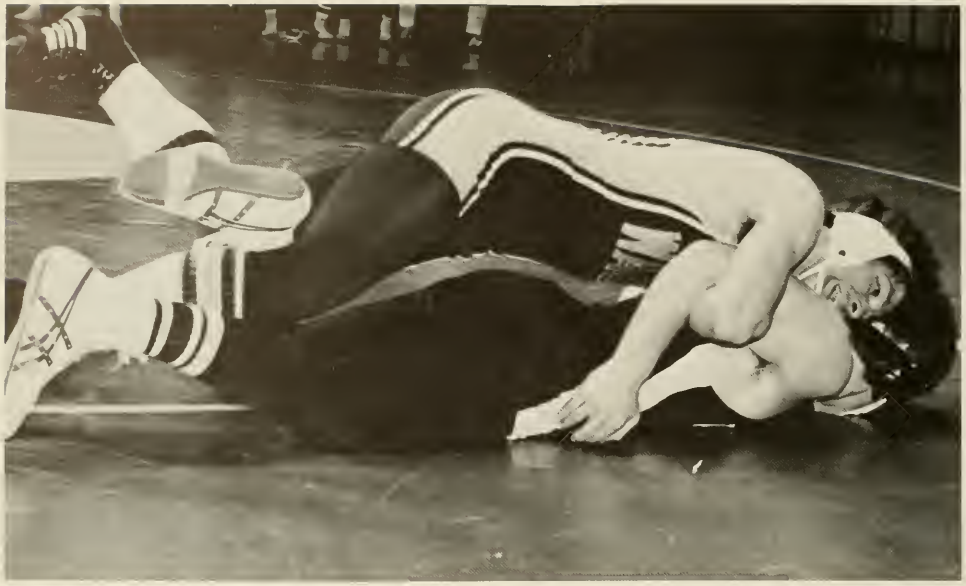
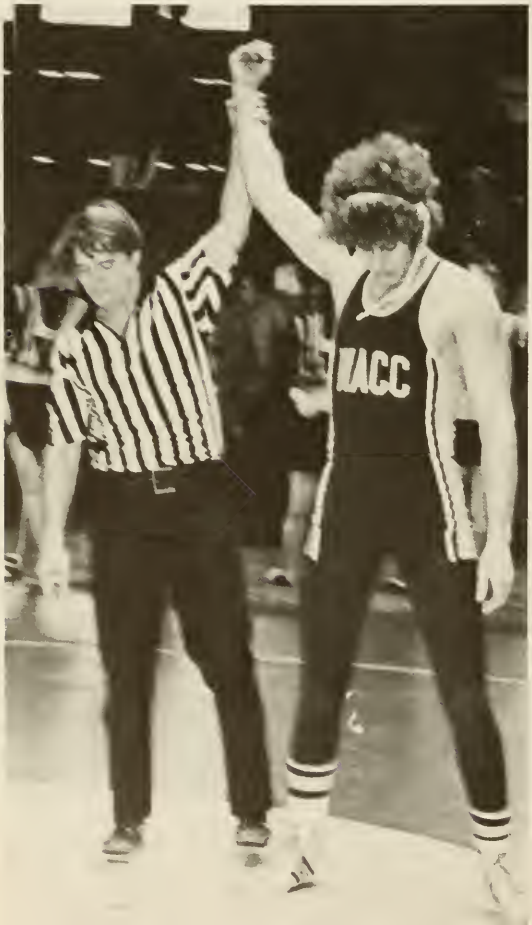
CROSS COUNTRY

Back: Mark Baldwin, Bob Phillips, Ed Carstetter, Charles Thrush, Harold Newton, Coach. **Front:** Team Captain, Dave Gruesel, Mike Rentka

No other sport at WACC brings together pain and pleasure the way cross country running does. Man, it's really something. A bunch of guys running up and down the White Deer Golf Course, pushing their endurance to the limit – their only reward – a slice of orange from Super Saver.
Below: WACC runners were well represented at the Conference meet held at White Deer Golf Course.





WRESTLING

WACC wrestlers captured the conference title and then swept through the EPCCAC Tournament for another victorious year for Coach Max Wasson. While outstanding performances were turned in by wrestlers every match, the highlight of the year was the performance by Rick Snyder. Slick Rick went undefeated for the entire season; he was also unscored upon – a feat not likely to be duplicated at WACC. Rick was joined on the victory stand at the tournament by Chris Shaner and Jeff Colby. Coach Wasson gained his fourth EPCCAC crown in seven years.

Left: Rick Snyder of Montoursville.

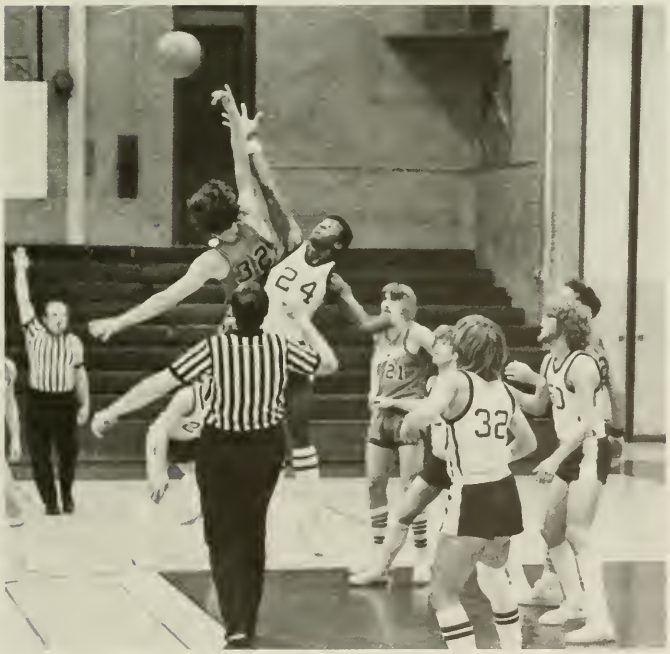
Back: Bill McNeil, Bob Hopkins, David Myers, Tod Edmonds, David Ceci **Middle:** Jim Eubanks, Tom Orr, Clayton Daniels, Bruce Truskey **Front:** Captain Gary Logan, Captain Kris Hall.

BASKETBALL



The basketball team closed its season with a record of 7 wins and 15 losses. First time WACC coach Bill Moore was happy with the team's efforts and was impressed with the way the "players came along all season". Freshmen Tom Orr was the leading Wildcat scorer, averaging 18.6 points per game. Tom is now seventh on the all-time scoring list for the Eastern Community Athletic Conference.

Todd Edmonds was the team leader in blocked shots with 27; he averaged 9.5 points per game. Kris Hall was the floor leader; he had a 73 percent average from the foul line. Coach Moore said that Bob Hopkins was the most improved player on the team. Never having played basketball in high school, Hopkins gathered in 10 rebounds per game with a personal high of 25.

HERE'S LOOKING AT YOU WACC!

The Montage Staff chooses anonymity but acknowledges that without the help of Charlie Bollinger, of Herff Jones Publishing, his wife Sandy, and Jenny Ward there would not have been a 1977 Montage.
